Job Posting: 29134

Closing Date: June 19, 2014

Position Description: The Connecticut Department of Transportation has a Qualified Craft Worker (HVACR) position available in the Department of Transportation, Bureau of Finance & Administration, and Division of Property & Facilities Services. This position is located at Flagler Street in Newington. The position is full time, 37.5 hours per week and open to eligible candidates.

MINIMUM QUALIFICATIONS REQUIRED
KNOWLEDGE, SKILL AND ABILITY:

Considerable knowledge of and ability to apply standard tools, materials, methods and practices of the particular trade; interpersonal skills; oral and written communication skills; ability to prepare estimates and keep shop records; some ability to utilize computer software.

EXPERIENCE AND TRAINING:

General Experience: Four (4) years of experience in the particular trade area indicated by the parenthetical title.

Special Experience: Two (2) years of the General Experience must have been performing skilled trade functions in the specific trade area.

Note: For State Employees this is interpreted at the level of Skilled Maintainer or Transportation Maintainer 2

Substitution Allowed:

Graduation from a vocational or technical school with a diploma designating completion of subject requirements in a maintenance trade area may be substituted for two (2) years of the General Experience.

SPECIAL REQUIREMENTS:

Qualified Craft worker HVACR

Performs highly skilled HVAC tasks throughout Region 1 service area. Position based at Flagler street Newington. Journeyman level skills in the HVAC trade and 4 years documented experience in the HVAC trade. Considerable knowledge of the HVAC trade and the documented ability to size units and prepare estimates. HVAC license strongly preferred. Documented service work experience and troubleshooting skills. Trane building automation skills a plus.

Preferred Experience: The DOT has an opening for a QCW HVACR based out of Newington Regional office. The ideal candidate will have extensive documented troubleshooting and service work experience along with a documented back ground in direct digital building automation systems. Trane Tracer and summit control experience a definite plus. "The application must be filled out completely and list very clearly the documentation noted on this announcement including specific control experience"

Application Instructions: Please submit State Application (CT-HR-12) State employees must include their last two service ratings by June 19, 2014 to:
